Safer Recruitment

Employment/Safeguarding

(Including Vetting, Contingency Plans, Training and Development)

Policy Statement

We provide a staffing ratio in line with the Welfare requirements of the Early Years Foundation Stage to ensure that the children have sufficient individual attention and to guarantee care and education of a high quality. Our staff are appropriately qualified and we carry out checks for criminal records through the Disclosure and Barring Service in accordance with statutory requirements.

Procedures

Ratios

To meet this, we use the following ratios of adults to children

 Children under two years of age; 1 adult to 3 children

 Children under three years of age 1 adult to 4 children

 Children aged three to seven years 1 adult to 8 children

We use a key person approach to ensure that each child has a named member of staff with whom they form a relationship and who plans with the parents for the child's wellbeing and development in the nursery. The key person is responsible for maintaining the child's development file and making sure that observations are carried out on a weekly basis. The key person is responsible for giving the parents information regarding the child on a daily basis. Should

they not be available to speak to parents due to shift patterns, then they must ensure that information is left another staff member.

Vetting and Staff Selection

-  We work towards offering equality of opportunity by using non-discriminatory procedures for staff recruitment and selection.
-  All staff have job descriptions which set out their staff roles and responsibilities
-  We welcome applications from all selections of the community. Applicants will be considered on the basis of their suitability for the post, regardless of marital status, age, gender, culture, religious belief, ethnic origin, or sexual orientation. Applicants will not be placed at a disadvantage by imposing our conditions that are not justifiable.
-  We obtain references and enhanced criminal records checks through the disclosure and barring service for staff who have access to the children
-  We keep all records of DBS checks, including the date, and the number of the check. The original copy is given back to the employee.
-  We follow the guidance of Gill, who has completed the course "Keeping Children Safe in Education: Safer Recruitment, and successfully passed.

Interviewing Process

-  (We understand that as a result of the Equality Act 2010 it is no longer appropriate to ask referees for information relating to absence or sickness records until after the preferred candidate has been selected unless the post has an exception)
-  We have a face to face interview with any potential employees and ask the candidates to spend some time in the room before making any decisions. (supervised at all times)
-  We ask a selection of questions including knowledge of EYFS and Safeguarding, we probe further into the candidate character getting an understanding of their motivations, attitudes and behaviours.
-  We seek information about any criminal history and use it appropriately.

 We ensure that there are two people present in the recruitment process, one of which will be Gill, who has passed the Safer Recruitment Course.

 The same process is followed in relation to the employment of the nursery chef. Relevant questions will be asked.

 Notes are taken during this process and recorded on the application form.

Disclosure and Barring Service

Training and Staff Development

-  Our team Leaders hold level 3 qualification.
-  We have a good ratio of qualified staff, and also take on students working towards level 2 and 3.
-  We provide the opportunity for all staff to go on regular training depending on their individual needs. We train through Bolton's Early Years programme and multi-agency training organisation.
-  We also have the opportunity for in house training and have external agencies that come for specific training needs.
-  We provide staff inductions within the first week of employment. This induction includes our Health and Safety policies, and Safeguarding Children, and our Child Protection Policy.
-  We support the work that the staff do by holding regular meetings, supervisions and appraisals
-  The staff fill in a holiday request form for any annual holidays they wish to take, giving the management notice, in order to arrange sufficient cover so that ratios are not compromised.
-  Where staff are unwell and take sick leave, we organise cover to ensure ratios are maintained. This could mean moving some staff where one room is over their ratio to another room.

 We have contingency plans to cover absences where many staff are absent at one time.

 The Manager and Deputy are supernumerary, where necessary the manager and deputy will step in to ensure ratios are maintained in the event of staff sickness or holidays.

 We ensure the nursery chef holds the relevant qualifications and updates her knowledge regularly.
