

LADYBIRDS
NURSERY

No Smoking

Promoting Health and Safety

We comply with health and safety regulations and the Welfare Requirements of the EYFS in making our setting a no-smoking environment - both indoor and outdoor.

Procedures

-  All staff, parents and students are made aware of our no-smoking policy.
-  We display no-smoking signs as required by law.
-  Staff who smoke do not do so during working hours unless on a break and off the premises.
-  Staff who smoke during their break make every effort to reduce the effect of the odour and lingering effects of passive smoking for children and colleagues; all staff wishing to smoke change out of their uniform whilst they do so and, the same as all other staff, they wash their hands on returning from their break.
-  Parents wishing to smoke should leave the premises and stand outside of the nursery gates.
-  Smoking is not permitted on the car park.
